

BRAZILIAN CARNIVAL IN THE ROCKIES!

The Boulder Samba School is excited to present the *fifth* annual Colorado Brazil Fest (CBF 2016), a four-day celebration of Brazilian music, dance, and culture! CBF 2016 will be held in Boulder, Colorado, the weekend of August 11-14, 2016.

With attendance exceeding 1,800 annually at each of the first four festivals, CBF 2016 promises to eclipse that number and feature even more internationally acclaimed Brazilian performing artists as well as the region's finest musicians, dancers, teachers, and vendors, offering attendees an exciting interactive showcase of Brazilian music, culture, and traditional cuisine.

The Boulder Samba School (www.BoulderSambaSchool.org) is a **non-profit organization** that promotes the rich heritage of Brazilian culture through music and dance performances, classes, workshops, and outreach events. We believe that Brazilian music provides a powerful vehicle to unite people through playing, singing, dancing, and celebrating together.

We are seeking sponsors for CBF 2016. As a member of the Boulder County Arts Alliance (BCAA, a 501c3 organization), sponsor contributions to the festival are **tax-deductible**. To become a sponsor, please email us at ColoradoBrazilFest@Gmail.com.

For updated schedules and additional information of the festival, please visit the Colorado Brazil Fest website at www.ColoradoBrazilFest.com.
